ASSOCIATE ENGINEER

OPENING DATE: May 1, 2018
CLOSING DATE: May 22, 2018

DUTIES: This is a professional position working under the direction of the Engineering Section Manager and/or City Engineer. This position is responsible for planning, designing and preparing construction plans and specifications in accordance with civil engineering principles and practices. Performs other duties as assigned.

QUALIFICATIONS: Must have Fundamentals in Engineering (F.E.-formerly known as E.I.T.) and/or Land Surveying License (P.L.S.). Requires a considerable knowledge of engineering principles and practices applied in the planning, design and construction of public works projects, and of computer-aided design programs. Requires graduation from a four year college or university with a bachelor’s degree in civil engineering with one year project design experience preferable. Must have a valid driver’s license and a good driving record. The successful candidate will be required to pass a pre-employment drug screen and a criminal background investigation.

SALARY: $3,695.50 to $5,543.25 per month depending upon qualifications. SALARY WILL GENERALLY START AT THE LOWER END OF THE SALARY RANGE.

APPLICATIONS: Those interested in applying are required to submit an application online at www.orem.org or to the Human Resources Office by or before May 22, 2018, at 5:00 pm. ONLY THE INFORMATION ON OR ATTACHED TO THE APPLICATION WILL BE USED FOR SCREENING PURPOSES.
